Rocks & Crescents win soccer state titles

OLA defeated St. Andrew's Episcopal in penalty kicks for the Class I state championship on Saturday at Ridgeland High School. The win gave OLA their 11th state soccer championship.

BY JOSEPH W. GEX, II
STAFF WRITER

For the first time in the area's history in the sport of soccer, there were three teams playing for state titles this past Saturday. The Bay High Tigers were in the Class 4A boys title tilt with Richland, the OLA Crescents matched wits with St. Andrew's Episcopal in the girls Class I game, and the Saint Stanislaus Rock-A-Chaws took the field against St. Andrew's Episcopal in the boys

Class I contest.

The Tigers came up just shy of claiming the title with a 2-0 loss to Richland. The Crescents went into penalty kicks with St. Andrew's Episcopal and came away with a 5-4 decision in the sudden death scenario. The Rocks beat St. Andrew's Episcopal in regulation 1-0 to hoist the gold ball for the third consecutive season.

SSC (16-4-1) scored a goal 28 seconds into the game when Christian Bourgeois ripped the net. The goal and the difference

held true for the next 79 minutes giving the Rocks the title.

The victory marked the school's third consecutive state title under head coach Zach Villarubia and 12th title overall in the sport. The Rocks have won the most state championships of any school, regardless of classification, in Mississippi history. The

Waveland Fire Department trains with new Jaws of Life

Waveland firefighters practice with the department's new cutter and spreader.

On Friday, Waveland's firefighters trained with the department's newest Jaws of Life.

Waveland Fire Chief Tommy Carver Jr. said "Basically, with our other units, we were still able to make our cuts and do our jobs, it was taking longer because cars that were made from 2016 and on, newer cars are made better than they were before," he said. "The old units didn't have the power that the new units are going to have and it was taking a little bit longer to get people extricated."

The department's old units were purchased around 2006, he said, and they usually last about 10 years. He said that it would also take longer to find parts for the older Jaws of Life. He said that they were down to one unit and could no longer get it fixed.

"Everybody has been going to the new hydraulic

It's time to laissez les bon temps rouler — the Krewe of Kids is scheduled to kick off the Mar-

di Gras season in Hancock County with its 42nd Carnival parade on Saturday, Feb. 12, beginning at 11 a.m.

"We didn't get to have the parade last year

because of COVID," krewe organizer Lisa Cowand said, "but we'll be back this year, and we can't wait."

Cowand said the parade will follow its traditional route, starting in front of Dunbar Village in Bay St. Louis for a toast with the elders there before traveling down Dunbar to Boardman, to B Street to Leonhard, back up to Dunbar, and then disband back where it started.

Waveland seeking grass cutting bids

BY CASSANDRA FAVRE

Last week, the Waveland Board of Mayor and Aldermen moved ahead with advertising for city-wide grass cutting services.

In November, the board approved a one-time payment of \$24,622 to Lombardo Industries, LLC to cut the grass for the entire city.

For the better part of 2021, two of the city's tractors were down for repairs and employees were down to two tractors in service for grass cutting, Waveland Public Works Manager Bo

Humphrey told the board at the January meeting.

At Tuesday's meeting, Waveland's city clerk Mickey Lagasse said that if the city decided to utilize a contractor for grass cutting, "no employee would lose a job."

"It's shown that we lose 8 to 12 employees by attrition, by voluntary separation every year," he said. "We currently have three of the five positions open now due to promotion, resignation, or termination for cause."

lies,” he said. “They’re lighter, more powerful, they’re faster so that the extrication can be completed in a faster time.”

This year’s fire department budget included the funding for the new Hurst Jaws of Life. The total cost was about \$35,000 for two sets, Carver said, which includes six chargers and 12 batteries.

The sets include a cutter, which makes the cuts in the cars; a spreader, which spreads the car apart; and a ram, which has about a 56-inch reach and is used to push parts such as a dashboard away from the crash victim, Carver said.

The units are also submersible, he said, and operate under the water. The older units did not.

Carver said the firefighters receive at least one annual training with the Jaws of Life on old cars provided by Moss Towing.

Rotary Chili and Mac & Cheese Cook-Off draws hundreds

GENERAL MANAGER

Hundreds of people crowded into the Bay St. Louis Community Hall last Thursday for the 15th annual Bay Rotary Club Chili/Mac & Cheese Cook-Off.

“I think we had a great turnout despite pretty torrential weather,” Rotary Club President Cynthia Chauvin said. “It was a cold, rainy night, which made for great chili and mac & cheese weather.”

In addition to being a fun night for the community, Chauvin said, the event — the Rotary Club’s biggest fundraiser of the year — will also help the club’s service projects, which aid the community all year long.

“I know that we raised between \$18,000 and \$19,000 and that all of that money will come back to our community and make a difference in service projects,” Chauvin said. “We also helped the blood drive that day in conjunction with the cook-off and

that’s the first time we’ve ever done that. ... The Blood Center had a goal of 25 blood donations that day, and we actually had 28. The 28 units of blood that were donated equals 84 lives saved, and those donations are all staying here in the local community.”

Chauvin said the cook-off also gave the Bay Rotary a chance to introduce the members of its new Interact Club, which is made up of high school students.

“In the past, some of our schools had Interact clubs,” Chauvin said, “but later last year, we decided to charter the first community-based Interact Club in our district. The club consists of students from OLA, Bay High and St. Stanislaus, and they had a huge presence at the cook-off, volunteering and helping.”

Dr. William Burnett of Diamondhead named Director of the National Data Buoy Center

SEA COAST ECHO

Dr. William Burnett is the new director of NOAA's National Data Buoy Center — a division of NOAA's National Weather Service. As director, he is ensuring the nation's maritime safety by successfully operating the world's largest real-time marine observation network. The network includes moored-ocean buoys, fixed coastal stations and mobile observing platforms operating in the open-ocean and coastal zone around the world that observe, report and disseminate atmospheric, oceanographic, climate and tsunami measurements. The NDBC is located at the Stennis

Dr. William Burnett

Space Center along the Mississippi Gulf Coast. Bill brings to the National Weather Service a wealth of experience and leadership in marine meteorology and oceanography, and inter-agency and international activities," said National Weather Service Office of Observations Director Tom Cuff. "His ability to build partnerships will

be beneficial to expanding our marine observation network and ensuring the National Data Buoy Center continues to deliver valuable buoy data to the public." Previously Dr. Burnett served as the Technical Director to the Commander, Naval Meteorology and Oceanography Command. In that role, he provided technical direction and oversight for a fleet of six survey ships, and 2,000 civilian and military personnel. Dr. Burnett also served as a Computational Technology Area Leader in Climate, Weather and Ocean for the Department of Defense's High Performance Computing Modernization Program.

Prior to being promoted to the Senior Executive Service in January 2012, Dr. Burnett worked at the National Data Buoy Center for eight years as the Mission Control Center Branch Chief. He also served on the International Tsunami Commission and as the U.S. National Representative to the World Meteorological Organization's and Intergovernmental Oceanographic Commission's Data Buoy Cooperation Panel while at the National Data Buoy Center. Before joining the National Weather Service in 2004, Dr. Burnett was the Plans and Programs Division Head at the Naval Meteorology and

Oceanography Command. In 1992, he joined the staff of the Naval European Meteorology and Oceanography Center in Rota, Spain, and served as the Oceanographic Services Officer where he developed a new data exchange system that provided products and observations to the Fleet during Operation Provide Promise/Deny Flight. Dr. Burnett began his career in 1985 as a physical science aide and storm chaser with the Storm Electricity Group at NOAA's National Severe Storms Laboratory in Norman, Oklahoma. In 1988 he joined the Naval Oceanographic Office as a meteorologist at the Operational

Oceanography Center. Dr. Burnett holds a B.S. in meteorology from the University of Oklahoma and both his M.S. and Ph.D. degrees in marine science from the University of Southern Mississippi. He is a native of Bartlesville, Oklahoma and currently resides in Diamondhead, Mississippi. The National Data Buoy Center provides observations in the marine environment in a safe and sustainable manner to support operational and research programs at NOAA and other organizations and the understanding of and predictions to changes in weather, climate, oceans and coast.

MS House Weekly Summary - Week of January 31

The fifth week of the 2022 legislative session proved to be the busiest thus far. Committee meetings to discuss House bills wrapped up early in the week because of Tuesday’s general bills deadline. Members convened in the House Chamber for longer periods to discuss the legislation that made it to the calendar. The approximately 130 bills that were discussed dealt with a variety of topics.

House Bill 1313 would establish the Fostering Access and Inspiring True Hope (FAITH) Scholarship Program. This scholarship program would provide financial assistance for postsecondary education to all current and former foster children under age 26. The financial assistance includes full tuition, fees, and room and board. Before the bill was presented, Representative Jeff Hale (R – DeSoto) introduced Amendment 1 to name the program after Representative Bill Kinkade (R – Marshall), who grew up in the foster system. HB 1313 passed by a vote of 118-4.

House Concurrent Resolution 14 recognizes and honors Vietnam War Veterans who were exposed to Agent Orange. During the introduction of the concurrent resolution, Amendment 1 was brought forth adding Representative Manly Barton (R – Jackson) and Representative Mac Huddleston (R – Pontotoc) to the language. Both Rep. Barton and Rep. Huddleston bravely served in the Vietnam War. HC 14 passed unanimously by a vote of 122-0 and has been sent to the Senate.

The Mississippi Health Care Workers Retention Act of 2022 (House Bill 764) was introduced on Wednesday. The bill would appropriate \$56 million of the federal American Rescue Plan to the Mississippi Department of Health. These funds would be used to pay health care workers who directly treated COVID-19 up to \$5,000 if they agree to stay at their current facility for five months. Mississippi, among other states, has seen massive health care worker shortages since

Hancock History: Haunted Gallows

HANCOCK HISTORY
by James Keating M.D.

This column will describe members of the last three generations of the Saucier family in Hancock County. In the last two columns of Hancock History the men and women of one direct lineage have been described.

Joseph Evariste Saucier (1852-1931) was one of the six children of Evariste and Madelaine. Joseph served the public in many different positions. In his early years he was Justice of the Peace for Beat #5. He was known as Judge Saucier and called “Judge” for the

rest of his life by those who knew him. Joseph served as an assistant cashier for both the Hancock Bank and the Merchants Bank in their early years. He attended St. Stanislaus College and was skilled in the profession of bookkeeping and accounting. In addition, Judge Saucier was a pianist. He also served the public as postmaster twice, county tax collector and accessor, and sheriff.

In 1904 a local citizen, Sylvester Pierre, murdered John Marshall. As a result of his crime, he was sentenced to death by hanging. A wooden gallows was constructed in front of the courthouse for public viewing. At the time, there had not been a legal hanging in Bay St. Louis in sixty years. However, Sheriff Saucier later decided to hang the murderer personally, privately, and not viewable to the public. The gallows was dismantled, and the lumber was put up for sale. As a result, some of

the local town folk considered the wood tainted and haunted by the spirit of Sylvester Pierre. Finally, Sheriff Saucier bought the lumber himself and used it to build a shed behind his house on Main Street. He claimed he never had to lock this structure because no one dared to enter the shed since it was deemed haunted. Sheriff Saucier married Adele Ester Nicaise (1860-1926).

Alcine E. Saucier (1889-1973) followed in his father’s footsteps and served Bay St. Louis as a policeman. He served as Chief of Police for thirty-six years. Alcine did not own an automobile. With predictable regularity he walked his regular beat every day down Main Street. Like his father, Joseph, Alcine had bookkeeping skills and prepared tax returns for his neighbors and anyone in town who needed his services. During hard times, he often bartered with farmers for commodities like fruits and vegetables in return for

preparing tax returns or other documents. He had an old Underwood typewriter at his home that was used for these returns. This typewriter is now in the museum of the Hancock County Historical Society on Cue Street. Alcine married Edna Boudreaux (1893-1948). Alcine retired in 1968 at age seventy-nine.

Matthew L. Karl (b. 1948) followed in his grandfather’s footsteps and served thirty years in law enforcement. Matt married Kaye Dupuy in 1972.

In conclusion, the Saucier family is one of the oldest families in Hancock County. Many served their community as public officials. Three members of the most recent generations were law enforcement officials. Many of the descendants of the Saucier family and other historic families born here have remained here, rather than migrate to other places.

the start of the pandemic. The bill passed by a bipartisan vote of 112-6. House Bill 512 would remove the Department of Revenue from being the wholesale distributor of alcohol within the state and allow for wholesale permits to be issued to private companies. The Department of Revenue currently operates the Alcoholic Beverage Control warehouse in Gluckstadt. A similar bill was passed last session by the House, but it died in conference. HB 512 passed 113-2 and has been sent to the Senate.

The Second Amend-

ment Preservation Act (House Bill 1418) would preempt any federal legislation seeking to ban firearms, ammunition and other supplies, excluding universities and colleges. After little debate, the bill passed by a vote of 83-35. House Bill 621 would increase certain penalties for the crime of fleeing from law enforcement. Under current law, a person who is found guilty of operating a motor vehicle in a reckless or willfully dangerous manner and fleeing from law enforcement could receive up to five years in prison. HB 621 would increase this time to 10 years. A reverse repealer was added by amendment ensuring the bill will go

to conference before the end of the legislative session. The bill passed by a vote of 84-34. Many bills passed the House with overwhelming majority including a bill to create an interstate compact for audiology and speech-language pathology licenses (House Bill 424); the Sexual Assault Response for College Students Act (House Bill 589); two bills creating the Mississippi Outdoor Stewardship Trust Fund (House Bills 606 and 1064); a bill prohibiting discrimination against a recipient of an organ donation based on disability (House Bill 20); two bills increasing salaries for Mississippi Highway Patrol and Mississippi Bureau of Nar-

cotics Officers (House Bills 1344 and 1422); a bill creating the Mississippi Healthy Food and Families Program (House Bill 555); and the College Sticker Price Act of 2022 (House Bill 464). On Wednesday, the University of Mississippi women's golf team paid a visit to the Capitol. The Legislature presented Senate Concurrent Resolution 527 commending the women for winning the NCAA National Championship 2021, the first national championship in a women's sport at Ole Miss. SC 527 passed the House by a vote of 118-0. Floor debate will continue on general bills until the Feb. 10 deadline.

After that, discussion will move to appropriation and revenue bills, as well as bills originating in the Senate. Visitors at the Capitol this week included the League of Women

Voters, the Mississippi Speech-Language-Hearing Association and the Children's Center for Communication and Development at the University of Southern Mississippi.

Hancock deputies nab four La. men for allegedly breaking into ATM

ECHO STAFF

Early on Thursday, officers of the Hancock County Sheriff's Office arrested four men from Louisiana who were allegedly trying to forcibly enter an ATM located at the Hancock Whitney Bank branch on Hwy. 603 in Kiln, MS. "Damari Coleman, 22, Alfred Cobb, 30, Tyler Andrews, 22, and Davon Bickham, 22 utilized a set of chains and hooks attached to a stolen pickup truck to break the ATM from its foundation and tow it away," Hancock Chief Deputy Jeremy Skinner said in a press release Friday. "Responding to a suspicious activity call, Hancock County deputies discovered three men attempting to break into the ATM just behind the bank. One subject was immediately taken into custody, while a foot pursuit

ensued with the other two suspects." Skinner said deputies established a perimeter and were able to detain those two subjects after a few hours. "During the course of events, deputies discovered a fourth suspect, who had been acting as a lookout for law enforcement and was equipped with radio communication with the other three men," Skinner said. All three men are reportedly from Hammond, but jail records show Cobb has a Gulfport address. Coleman was charged with: Grand Larceny, Felony Malicious Mischief and Conspiracy. Cobb was charged with: Grand Larceny, Felony Malicious Mischief, Conspiracy and Possession of Stolen Property. Andrews was charged with:

Grand Larceny, Felony Malicious Mischief, Conspiracy and Possession of a Weapon by a felon. Bickham was charged with: Grand Larceny, Felony Malicious Mischief and Conspiracy. As of Friday afternoon, Coleman and Bickham remained incarcerated at the Hancock County Jail in lieu of \$75,000 in bonds each; and Andrews and Cobb were still being held in lieu of \$100,000 in bonds each. "Investigators have discovered additional information to believe the arrested are suspects in similar crimes committed across the Gulf South from Texas to Florida," Skinner said. "The Hancock County Sheriff's Office is working with additional agencies, in hopes to solve additional crimes." Skinner said the investigation is on-going.

KITTY CORNER

MEET RAMBO.

Rambo is a super sweet, 4 year old boy who would love to be your forever friend. He came in as a stray, but he must have had a home at some time, as he is very friendly. He will follow you around like a puppy, and he loves treats and cuddles. He is great with the other kitties in our cat room, too. Please give Rambo the second chance that he deserves, and he will give you a lifetime of love.

MEET WYATT.

We're still learning all about this handsome boy. We do know that he's very serious, and often seems to be in a contemplative mood, almost like he's trying to make sense of his new world. He came in wearing a relatively new cute collar and is in good shape. He's

very clean and seemingly well cared for, too. We venture to say that Wyatt meant something to someone at one point, but, alas, here he is, hoping for a "second chance" family, who will make him a well loved priority in their lives. He is very sweet natured, and wants to be friends with our staff & volunteers. Wyatt is young, likely 2 years old or younger. He looks to be perhaps a Hound mix, but where'd he get those short ears? We love his caramel coloring, especially on his handsome face, and just look at those soulful deep amber eyes! We'd love to see Wyatt's somber expression turn into a big ole smile very soon. Please come to the shelter to meet this great dog, and bring your children and family dog(s) along for the visit to ensure compatibility. Our visiting hours are Mon-Fri 10am-3pm (Tues 12pm-3pm), or you may call our front desk at 228-466-4516 to schedule an appointment.

Mississippi Medical Cannabis Program Update

SEA COAST ECHO

The Mississippi State Department of Health (MSDH) is committed to meeting the statutory requirements of the Mississippi Medical Cannabis Act recently enacted by the Mississippi Legislature and signed by Governor Tate Reeves. The goal is to provide a safe and accessible program that meets the needs of patients and the public health and safety of all Mississippi residents. The MSDH is currently working to establish the licensing and patient registry structures and plans to begin ac-

cepting online license applications for patients, medical practitioners, cannabis cultivation facilities, and others by June 2022.

Visit <https://msdh.ms.gov/mmcp> with the most up-to-date information regarding licensing, business registration, cultivation and availability, and qualifying conditions.

For all inquiries about the Mississippi Medical Cannabis Program, send email to MSMedicalCannabis@msdh.ms.gov.

“Those green-robed senators of mighty woods...” John Keats

The new year brings lots of gardening opportunities and the Bay Waveland Garden Club is ready for Spring blooms. Club president Ginny Littlefield invites and welcomes our community to the new life of greenery and blooms when we will plant a 12 foot oak tree at the Community Garden at the corner of St. Francis and Bookter St. at 9 am on Friday, February 11.

• GRASS

Continued from Page 1

Lagasse said that in 2021, Humphrey requested an additional five employees and used \$25,000 — leftover from “extremely” high turnover — of unspent budgeted funds from the streets department for grass cutting. We added \$150,000 to the current budget and will most likely increase due to the track record of the board giving raises. This number will increase by \$5,200 to \$10,400, depending on the amount of the raise.”

Lagasse said that “we have asked for help from public works to determine which ones (tractors) are running and it’s just not available.”

He said that the administrative staff’s recommendation would be not to repair the two tractors currently down. If the board chooses to keep grass cutting in-house, Lagasse said, staff recommend the purchase of three new additional tractors.

The city currently has two tractors, about \$250,000 worth, on the way.

“The board should request a plan and schedule biweekly updates as to progress at board

meetings,” he said. “This report would give y’all an idea of any variance from the proposed schedule due to rain, storms, or other uncontrollable events, meaning tractors going down or anything.”

In the past two years, Lagasse said, the city spent more than \$110,187 on tractor repairs. That number does not include the cost for miscellaneous parts or in-house labor, which he said would be an additional 10 to 15 percent.

Lagasse said the estimated cost to outsource grass cutting would be about \$240,000 a year. If the board did outsource, Lagasse said, it is recommended that the city keep the two budgeted tractors that are on their way; don’t fill open positions; and don’t repair the two tractors that are currently down.

“To outsource, we believe, would save money,” Lagasse said. “We believe wholeheartedly that it would be budget-neutral for what you’ve got budgeted this year.”

If the board decided to keep the service in-house for the fiscal year ’21-22, Lagasse said, the estimates would be about \$150,000 for personnel, \$240,000 for the purchase of three new tractors; and \$32,000 for general repair costs.

“To keep in-house would cost roughly about \$422,000,” he said. “That number depends on whether or not the board chooses to use a one-time pull-out from reserves for three tractors or two tractors. So that number could be whatever you want it to be.”

If the board decided to keep it in-house, Lagasse said, the FY ’22-23 budget could include the replacement of one tractor every year for a seven-year cycle and would cost anywhere from \$50,000 to \$150,000 per year depending on the tractor.

Lagasse said that the city could also continue to use its personnel for grass cutting at the cemeteries, parks, etc.

The motion to advertise for bids passed unanimously.

In other action:

The city will host a public hearing — prior to its regularly scheduled meeting — on a moratorium on shipping container construction within the city on Feb. 16 at 6:30 p.m. at Waveland City Hall, located at 301 Coleman Ave. Residents are invited to attend in person or present written comments in support or opposition to the moratorium to the city clerk at 301 Coleman Ave., Waveland, MS 39576.

• KREWE

Continued from Page 1

lected King Jonathan Buerlson and Queen Addalyn Landrum

The parade was founded in 1979 by Jake and Evelyn Cox Jacobs and the Cox children. It started out as a way to keep the kids busy and get rid of excess Mardi Gras throws, Evelyn’s daughter Kathy Mauffray said in 2016, but in 1979, her brother David -- then age 11 -- took it upon himself to go to the city and get a parade permit. That year, the first official “Krewe of Kids” parade was held on Lundi Gras.

Also on Saturday, Feb. 12, the Pass Christian Carnival Association — known the past two years as the Pass Christian Kids Carnival Association, and as the Krewe of Legacy before that — will roll beginning at 1 p.m.

Those wishing to participate are asked to message group founder Jeffrey Cuevas through the krewe’s Facebook page or call 228-216-2097. There will be no applications or fees this year. Participants are asked to arrive between 8 a.m. and 11:30 a.m. and go to the Legacy Float at the beginning.

PCCA 2022 King is Mr Brett McKay and His 2022 Queen is Mrs. Patricia McKay.

The route will start at Neco’s Family Market, on Cable Bridge Rd, continuing straight onto J.P. Ladner Rd, turning right onto Edwin Ladner Rd, also turning right onto Vidalia Rd., where it ends back at Neco’s Family Market. Floats, horse and bug-

gies, golf carts, antique cars, and more parade throughout a five-mile circular route north of Interstate 10. The parade is family-oriented.

For more, contact Jeffrey Cuevas at 228-216-2097 or Sidney Cuevas at 228-234-9454.”

The Krewe of Nereids parade is scheduled for Feb. 20; the Krewe of Diamondhead parade is scheduled for Feb. 26; St. Paul parade in the Pass is 2-27; the Mystic Krewe of Seahorse Lundi Gras parade is Feb. 28; Fat Tuesday and the Krewe of Real People parade are on March 1.

The Sea Coast Echo will publish its 2022 Mardi Gras special section on Feb. 16, with complete parade and krewe information, maps and schedules.

From our Rector

By REV. JON M. RICHARDSON

To the Readers:

The following article was written by my son, Rev. Jon Richardson, who is an Episcopal priest serving a congregation in Kinnelon, New Jersey. He has graciously granted permission for its use as a guest column in this space. CGR

Dear Friends, February is Black History Month. In the towns where most of us live, racial diversity is more of a theoretical con-

cept than it is a lived reality – according to a conversation I had with Mayor Freda last year, Kinnelon only has a very small number of people of color, and less than 1% of Kinnelon residents are of African descent. So, it might be tempting to ask why talking about something like Black History Month is relevant or important for us.

As important as Black History Month is to underrepresented

groups in providing them with examples of their own cultural contributions, it is equally important for everyone else. We all need to be reminded that our own experience is not the only experience there is; our own sense of value is not the only thing of value. Moreover, to the degree than any of us experience privilege, we have a responsibility to use that to lift up those who are oppressed.

But this reality isn't just about doing good for the less fortunate, or about charity. It is a part of our responsibility as Christians. Just in the last couple of months, we celebrated the birth of Jesus. In the advent of that celebration we heard the words of the Magnificat spoken by Mary, his mother. That song of praise in anticipation of Christ is a song of hope for all who are burdened by systems stacked against

them. It is a song of expectation that Christ will bring relief where there is suffering.

This is hope for any of us when we experience suffering, and a call to action whenever we see the suffering of others.

Since the resurrection we have been empowered and called to be the hands and feet of Christ in the world. We are called to cast down the mighty from their thrones and to lift up the lowly. We are

called to fill the hungry with good things, and to remember the promise of mercy.

This month, we are reminded, even in our positions of comfort and privilege, that this work is not yet finished.

Our calling is not yet accomplished. The work of Christ, alive in the world, is still working.

Blessings
Jon

Public Notice
Mississippi Environmental Quality Permit Board
P. O. Box 2261 | Jackson, MS 39225
515 East Amite St. | Jackson, MS 39201
Telephone No. (601) 961-5171
Public Notice Start Date: February 9, 2022
MDEQ Contact: Jeffrey Bland
Tennessee Gas Pipeline Company LLC, Bay St Louis Compressor Station Number 530, located at 10064 Lower Bay Road, in Bay St. Louis, MS, (228) 467-9284, has applied to the Mississippi Department of Environmental Quality (MDEQ) for the following permitting action(s): Reissuance of Title V Operating Permit, Air Ref. No. 1000-00017. The applicant's operations fall within SIC Code 4922. A Statement of Basis has been prepared that contains a discussion of the decision-making that went into the development of the permit and provides the permitting authority, the public, and other government bodies a record of the technical issues surrounding issuance of the permit. The Statement of Basis also addresses any changes to emissions and/or discharges resulting from any modification of the facility.

Tennessee Gas Pipeline Company LLC owns and operates its Bay St. Louis Compressor Station located at 10064 Lower Bay Road, in Bay St. Louis, Mississippi (Hancock County) for the purpose of transporting natural gas through its pipeline distribution system. Natural gas compression at the Bay St. Louis Compressor Station is accomplished through eight (8) natural gas-fired compressor engines rated at 2,000-HP each and one (1) compressor turbine rated at 9,100-HP. The station also operates one (1) natural gas-fired emergency generator engine rated at 800-HP. Other sources of emissions include a parts degreaser, blowdown activities, fugitive emissions from piping and equipment, liquid product storage tanks, as well as, insignificant activities. This permitting action is to renew the Title V Operating permit and as such does not change the PSD status of the facility.

The staff of the Permit Board has developed this draft permit based on information submitted to the Permit Board by the applicant, appropriate State and Federal agencies and other interested parties. The staff of the Permit Board is soliciting all relative information pertaining to the proposed activity, including public comment, to ensure that the final staff recommendation on the draft permit complies with all State and Federal regulations. Public review and comment on the draft permit and supporting documentation is an important element in the staff evaluation and resulting recommendation to the Permit Board. The draft permit conditions have been developed to ensure compliance with all State and Federal regulations but are subject to change based on information received as a result of public participation.

Persons wishing to comment upon or object to the proposed determinations are invited to submit comments in writing to Jeffrey Bland at <https://www.mdeq.ms.gov/> BLAND-JEFFREY/ or to the Permit Board address shown above, no later than the end of the thirty (30) day public notice. All comments received by this date will be considered in the formulation of final determinations regarding the application(s). A public hearing will be held if the Permit Board finds a significant degree of public interest in the proposed permit(s). Persons wishing to request a public hearing may do so by submitting that request in writing to Jeffrey Bland at <https://www.mdeq.ms.gov/> BLAND-JEFFREY/ or to the Permit Board address shown above. The Permit Board is limited in the scope of its analysis to environmental impact. Any comments relative to zoning or economic and social impacts are within the jurisdiction of local zoning and planning authorities and should be addressed to them.

After receipt of public comments and thorough consideration of all comments, the staff will formulate its recommendations for permit issuance and a proposed permit if that is the recommendation. The Title V Permit to Operate is a permit that is required by Title V of the Federal Clean Air Act and the Mississippi Air and Water Pollution Control Law. The Title V permit is a Federally-enforceable permit as well as a State permit. Therefore, the U.S. Environmental Protection Agency (EPA) will also be allowed an opportunity to review the application, proposed permit, and all comments received during the public comment period prior to Permit Board action on the application.

The status regarding EPA's 45-day review of this project and the deadline for citizen's petitions can be found at the following website address: <https://www.epa.gov/caa-permitting/mississippi-proposed-title-v-permits>

Additional details about the application, including a copy of the draft permit, are available by writing or calling the Public Records Request Officer at the above Permit Board address and telephone number or by completing the form at the following website: <https://www.mdeq.ms.gov/about-mdeq/public-records-request/public-records-request-form/>. Additionally, a copy of the draft permit and statement of basis may be found on the MDEQ's website at: <https://opc.deq.state.ms.us/publicnotice.aspx>. This information is also available for review at the office of the MDEQ at the Permit Board address shown above during normal business hours. Please bring the foregoing to the attention of persons whom you know will be interested.

HANCOCK COUNTY
PORT & HARBOR COMMISSION
Electronic or sealed Bids for construction of 5-Bay Hangar – Project No. AP2109 will be received by the Hancock County Port & Harbor Commission, located at 14054 Fred & Al Key Road, Kiln, Mississippi 39556, until 2:00 P.M., Local Time, March 15, 2022, then bids will be publicly opened and read. Any bids received after the time and date specified will not be considered and will be returned.

All bids must be addressed to the HANCOCK COUNTY PORT & HARBOR COMMISSION of Hancock County, Mississippi, marked “SEALED BID TO BE OPENED AT 2:00 P.M., March 15, 2022”, and specify the name of the bid project. If bid is submitted by mail, the address of the Hancock County Port & Harbor Commission is “14054 Fred & Al Key Road, Kiln, MS 39556”. If bid is hand-delivered, the street address of the Hancock County Port & Harbor Commission is “14054 Fred & Al Key Road, Kiln, MS 39556”.

When bids are submitted electronically, the same requirements for submitting sealed bids shall apply. Electronic bids shall be submitted online at www.portairspacework.com and shall include a document on the first page stating the same language required on the face of the sealed envelope.

A pre-bid meeting for this project will be held on Wednesday, March 2nd, 2022, at 10:00 A.M., Local Time at the Stennis International Airport, 7250 Stennis Airport Drive, Kiln, Mississippi 39556 and via teleconference. Prospective bidders wishing to join via teleconference are asked to call into 1-877-431-8639 (PIN 982-713-9178) at the scheduled time. It is strongly recommended that prospective bidders attend the pre-bid meeting.

The project generally consists of: Pre-engineered design, shop fabrication, milling, manufacturing, packaging, shipping, construction, and erection of all building parts and components as well as the building’s foundation, utilities, and all required civil/site work related to the proposed 5-bay hangar with bi-fold doors. The building will be approximately 311 feet by 60 feet (18,660 square feet) as shown in the minimum performance drawings and specifications and will be partitioned into 5 individual hangar bays. The hangars are intended for aircraft storage only and will not include restroom facilities or other internal partitioned areas. The proposed hangar bays will not be climate controlled but will be insulated and include exhaust fans, flood vents, and lighting.

The Contractor shall be responsible for providing design calculations and complete engineering drawings of the building systems and components necessary to obtain building permits. The drawings shall be signed and sealed by a professional engineer licensed in the State of Mississippi hired or employed by the Contractor. The Contractor shall provide dimensions, loadings, and a building reaction plan to the Owner’s foundation designer (Engineer), and the Contractor shall provide other external building dimensions, measurements, and features (including an anchor bolt layout plan) prerequisite to the erection of the building structure. The above general outline of features of the work does not in any way limit the responsibility of the Contractor to perform all work and furnish all plant, labor, equipment, and materials required by the specifications and the drawings referred to therein.

The Contractor will commence the work required by the CONTRACT DOCUMENTS within 10 calendar days after the date of the NOTICE TO PROCEED and Final Completion of the project will be obtained within 365 consecutive calendar days of the NOTICE TO PROCEED date unless the period for completion is extended otherwise by the CONTRACT DOCUMENTS. The Contractor shall be liable for the continued assessment of liquidated damages at \$1,000.00 for each calendar day that the Contractor is in default in attaining Final Completion within the time stipulated as provided herein. Bidder must be qualified under Mississippi Law and show current Certificate of Responsibility issued by the Mississippi State Board of Public Contractors establishing its classification as to the value and type of construction on which it is authorized to bid. Contractors submitting a written sealed bid must write their current Mississippi Certificate of Responsibility Number on the outside of the sealed envelope containing their Bid as well as on their Bid. If the Bid is being submitted electronically through the Online Plan Room, the Mississippi

Certificate of Responsibility Number must be included on the cover page and profile of the electronic bid submittal. Proposals shall be submitted in duplicate, sealed and deposited with the Hancock County Port & Harbor Commission prior to the hour and date hereinbefore designated. No bidder may withdraw its bid within 60 days after the actual date of the opening thereof. Each Bidder must deposit with his proposal, a Bid Bond in an amount equal to 5% (five) percent of its bid, payable to the Hancock County Port & Harbor Commission, as bid security. The successful bidder will be required to furnish a Payment Bond and Performance Bond each in the amount of 100 percent of the contract amount. Contract Drawings, Contract Specifications, Instructions to Bidders and Bidders Proposal forms are on file and open to public inspection in the office of the Hancock County Port & Harbor Commission, 14054 Fred & Al Key Road, Kiln, Mississippi. Bid documents are being made available via paper or digital copy. All interested bidders are required to log-in or register for an account at www.portairspacework.com to view and order Bid Documents. All plan holders are required to have a valid email address for registration. Bid documents are non-refundable and must be purchased through this website. Questions regarding website registration and online orders should be directed to Plan House Printing at (228) 248-0181. Any questions that bidders might have should be directed to Neel-Schaffer, Inc., 772 Howard Avenue, Biloxi, MS, 39530 to the attention of Alex Davis or via email at alex.davis@neel-schaffer.com. Minority and women’s business enterprises are solicited to bid on this contract as prime contractors and are encouraged to make inquiries regarding potential subcontracting opportunities, equipment, materials and/or supply needs. The Hancock County Port & Harbor Commission hereby notifies all Bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged and women’s business enterprises will be afforded the full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award. The Hancock County Port & Harbor Commission reserves the right to reject any and all bids and to waive any informalities or irregularities therein. BY: William P. The Community CALENDAR

FEBRUARY 9

• The AARP Foundation will offer free income tax preparation for low-to-moderate-income taxpayers in Hancock County beginning Feb. 5 through April 9. The Waveland Library will host the only tax preparation site in the county. Appointments will be required and informational packets on how to make the appointment and what to bring will be available at the Kiln, Waveland, and Bay St. Louis libraries beginning Jan. 24. Please note that appointments are required and walk-ins will not be accepted. Site Manager Charles Gallagher said that “although COVID-19 has placed limits on the amount of service we can provide, the preparers and other volunteers have been trained and are ready for the challenges the 2022 tax year may bring.” All preparers are IRS certified. The libraries cannot answer tax questions. Please do not call them; simply go by and ask for your AARP packet. COVID-19 protocols will be followed and masks will be required by all.

The Hancock Lady Hawks hoisted their third consecutive Class III bowling state championship trophy on Wednesday at Fannin Lanes in Brandon.

The Lady Hawks finished their season with 12 first place finishes on the lanes and two second place finishes.

Hancock defeated d'Iberville in the Baker series 3-1 for the title. The boys team placed fourth out of eight teams in the state tournament.

In the last five years, the Lady Hawks have either won the state title or placed second. Alissa McGill and MacKenzie Conway were named to the All-State team. McGill, Conway, and graduating junior Jeannie Young were members of all three Hancock state championship teams.

Hancock head coach Trevin Burge credits the strong youth program at

Park 10 Lanes in Diamondhead for the stability of the Hawks' program.

Burge stated, "Having this much success this quickly is certainly not something that we envisioned when we started our girls bowling program just seven years ago. It has taken a great deal of dedication from our girls and some good luck. We lost two of our best bowlers to graduation last year so we had some big shoes to fill. Luckily we had two girls that were ready for the challenge and stepped up in a big way this season, especially in the state tournament. We will lose two more to graduation this season but we have two more that will be prepared to step in and hopefully make it four in a row."

The Lady Hawks have now qualified for the National High School Bowling Tournament that will be held in June in Louisville, Kentucky.

Bay & Hancock get two wins on hardwood

BY JOSEPH W. GEX, II

The basketball regular season has come to a close and division tournaments are in full swing this week.

The Bay High Tigers and the Hancock Hawks each picked up two wins on the hardwood last week to close out the regular season.

The Bay High Lady Tigers beat Stone 60-20 during Senior Night on Friday. The Lady Tigers (18-9) held a 40-17 half-time advantage in the win.

Bay High head coach Kelton Thompson stated, "I am very proud of our seniors. They have had a tough go of things with three head coaches in four years. I am not an easy person to play for but they have worked hard. We are the #3-seed and our win total has increased year-over-year. These girls have put in the work and I am extremely pleased."

The Lady Tigers' se-

niors include Katelyn McLain, McKenzie Favre, Brennan Brooks, Aleyah Calomese, and Takira Lewis.

In the game, McLain tallied 18 points followed by Lewis with 10 and Brooks with 8 points.

In earlier action, the Lady Tigers beat East Central 38-12.

The Tigers beat Stone 51-39 in a game that featured Demitry Johnson as head coach in the absence of Derrick Willis who was welcoming the birth of his first child.

The Tigers were down 14-1 at one point but battled back to go into intermission down 26-22. They opened the second half on a 12-0 run to seal the victory.

Johnson commented, "The players did not panic when they started out slow. It seems we have been doing that and playing really strong in the second half. We have to avoid the flat stretches in the tournament. I am excited about what we

are doing and hitting our stride at the right time."

Jaden Clark and Avan Wilson each scored 13 to lead Bay High while Dejonte Lee added 12 points.

The Tigers honored their seniors before the game including Dereon Galloway, Keiston Davis, and Kadin Walker.

In other action, the Hancock Lady Hawks beat West Harrison 54-11 on Tuesday and Picayune 61-10 on Friday. The Hawks topped West Harrison 48-20 and Picayune 56-50.

The OLA Crescents were stopped by St. Patrick 56-15 and Saint Stanislaus fell to St. Patrick 76-35.

Pass Christian is hosting the Division 8-4A tournament which includes Bay High while Biloxi is hosting the Division 8-6A tournament that includes Hancock. Saint Stanislaus and OLA travel Jefferson Davis for the Division 8-3A tournament this week.

Rocks' state championships have come in 1996-97, 2003-04, 2010, 2014-16, 2018, and 2020-22.

Villarubia commented, "This season came with a lot of challenges. We had a lot of injuries throughout the season and the players had to adapt to playing in different positions throughout the season. Winning the championship is a testament to the hard work and dedication the players have maintained through the year."

The Crescents battled St. Andrew's Episcopal for all of regulation, two 10-minute overtimes, two 5-minute sudden death overtime, and then penalty kicks before coming out victorious when Alexis Ladner blocked their final PK for the win.

The victory was OLA's 11th state soccer title.

The Tigers (17-8-1) stormed through the playoffs and advanced to their first trip to the state finals since 2017.

Bay High battled with Richland to a 0-0 score at intermission. Early in the second half, Richland tallied a goal

and added an insurance goal late in the game to make the final 2-0 difference.

Bay High head coach Kelly Ross stated, "I'm extremely proud of what this team was able to accomplish this season. Every year we've been taking small steps forward. We were very young this season with seven of our starters in the South State championship and State championship games were either freshman or sophomores, so they definitely gained experience that can only help the team going forward. I'm also proud of our three senior leaders - Carson Moran, Fisher Decamp and Wyatt Bilbo - they will be missed."

The State championship game was against a tough and experienced team. We had a few chances to score goals early in the game but we weren't able to take advantage. They put a lot of pressure on us in the second half and eventually they got a good bounce and were able to score on us. The second goal came when we were taking risks and pushing our defenders forward trying to even the score. Richland played a great game, so we congratulate them and we will get back to work and try again next year."

MON AMIE BOUTIQUE
153 MAIN ST.

Chic, welcoming, inclusive. These are just a few of the qualities you'll find to be true upon entering Mon Amie Boutique. With a stylish, yet affordable, selection of high-quality accessories and clothing ranging from XS to 3XL, Mon Amie Boutique is the perfect stop for fashion seekers of all body shapes, sizes and budgets.

Owner, Tonya Hamby, wanted to open Mon Amie Boutique in hopes to help with the frustrations of shopping that she and many of her friends were facing. Hamby elaborated one of these shopping problems as "finding age-appropriate clothing that's still stylish and affordable while maintaining the standard of quality we expect as shoppers".

Mon Amie Boutique opened its brick-and-

mortar a year ago in the depot district but recently moved into their new home at 153 Main Street this past November. When you walk into the boutique's new spacious location, you will be warmly welcomed by their helpful staff and find the shop is elegantly staged flowing across various rooms.

This small, woman-owned business takes pride in "personalizing your shopping experience, both in-person and online by customizing your fit and providing you affordable products and unmatched service from start to finish". Mon Amie's knowledgeable staff, stylish clothing, inclusive sizing, and elegant atmosphere has done a wonderful job in its endeavor to halt those shopping struggles.

This Second Saturday, Mon Amie Boutique will be serving refreshments and have live music sponsored by The People's Bank and The First from 4pm to 7pm. Be sure to stop by Mon

Amie Boutique and experience everything this posh Old Town shop has to offer.

DAN B. MURPHY'S
RESTAURANT & BAR
109 S. BEACH BLVD.

Located on Beach Blvd., in the heart of Old Town Bay St. Louis, you will find the lively Dan B. Murphy's Restaurant & Bar, locally known as Dan B's.

This popular eatery and watering hole, originally opened in 1981 but was destroyed by Hurricane Katrina. After purchasing Dan B's from his grandparents in 2005, now owner Daniel Murphy, rebuilt and resurrected the family restaurant in 2017.

Much different from the original structure, Dan B's consists of three levels. You can find expansive, family-friendly dining rooms on the second and third floors that also feature a beautiful view of the harbor and bay. On the first floor you will find an open layout that hosts the main

bar and stage area. The open-air environment of the first level presents a welcoming atmosphere with live music and an expansive bar that allows passersby a sneak peek into the party.

Dan B's offers a variety of weekly specials including a steak night and live music. Steak Night is featured every Thursday from 5pm to 9pm which includes a 12-14oz ribeye, a baked potato, and green beans for only \$18.95. Dan B's also hosts live music on Friday and Saturday nights from 7pm to 11pm and Sundays from 2pm to 6pm every week.

During this February's 2nd Saturday, Dan B. Murphy's Restaurant and Bar will be open 8am - 11pm. Serving breakfast from 8am-10:30am, lunch and dinner from 11am-9pm, and live music from 7pm-11pm. Dan B's will also be featuring a rocking show from the Will Wesley Band from 7pm-11pm sponsored by The People's Bank and The First.

HAPPY VALENTINE'S DAY

Why is Valentine's Day celebrated on February 14th?

Sweethearts who want to keep their relationships running strong know that Valentine's Day is celebrated each year on February 14. But even the most ardent Valentine's Day enthusiast might not know just why this day designed for lovers to express their affections for one another is celebrated in mid-February. According to the Library of Congress, it's hard to pinpoint exactly why Valentine's Day is celebrated on February 14, though the date might have ties to the ancient Roman celebration of Lupercalia. Lupercalia was a spring festival celebrated each year on February 15. The holiday was moved to February 14 after the spread of Christianity. The Christian faith had several early martyrs named Valentine, and each of them were celebrated with a saint day on February 14. But the unique history of Valentine's Day and its association with February 14 as well as its romantic sentiments does not end there. The Library of Congress also notes that, in the Middle Ages, people believed birds selected their mates on February 14. As a result, it was not uncommon for lovers to recite prose to one another on this date.
